This manuscript has been authored by **National Technology & Engineering Solutions of Sandia, LLC** under Management and Operating Contract No. **DE-NA0003525** with the U.S. Department of Energy.

The Publisher intends to publish the Work under the imprint **Springer**. The Work may be published in the book series **Communications in Computer and Information Science (CCIS)**.

§ 1 Rights Granted

Contractor hereby grants to **Springer Nature Switzerland AG, Gewerbestrasse 11, 6330 Cham, Switzerland** (hereinafter called **Publisher**) the exclusive, sole, permanent, world-wide, transferable, sub-licensable and unlimited right to reproduce, publish, distribute, transmit, make available or otherwise communicate to the public, translate, publicly perform, archive, store, lease or lend and sell the Contribution or parts thereof individually or together with other works in any language, in all revisions and versions (including soft cover, book club and collected editions, anthologies, advance printing, reprints or print to order, microfilm editions, audiograms and videograms), in all forms and media of expression including in electronic form (including offline and online use, push or pull technologies, use in databases and data networks (e.g. the Internet) for display, print and storing on any and all stationary or portable end-user devices, e.g. text readers, audio, video or interactive devices, and for use in multimedia or interactive versions as well as for the display or transmission of the Contribution or parts thereof in data networks or search engines, and posting the Contribution on social media accounts closely related to the Work), in whole, in part or in abridged form, in each case as now known or developed in the future, including the right to grant further time-limited or permanent rights. Publisher especially has the right to permit others to use individual illustrations, tables or text quotations and may use the Contribution for advertising purposes. For the purposes of use in electronic forms, Publisher may adjust the Contribution to the respective form of use and include links (e.g. frames or inline-links) or otherwise combine it with other works and/or remove links or combinations with other works provided in the Contribution. For the avoidance of doubt, all provisions of this contract apply regardless of whether the Contribution and/or the Work itself constitutes a database under applicable copyright laws or not.

The copyright in the Contribution shall be vested in the name of Contractor. Contractor confirms that Author has asserted his/her right(s) to be identified as the originator of this Contribution in all editions and versions of the Work and parts thereof, published in all forms and media. Publisher may take, either in its own name or in that of Contractor, any necessary steps to protect the rights granted under this Agreement against infringement by third parties. It will have a copyright notice inserted into all editions of the Work and on the Contribution according to the provisions of the Universal Copyright Convention (UCC).

Notice: The United States Government retains and the Publisher, by accepting the Contribution for publication, acknowledges that the United States Government retains a non-exclusive, paid-up, irrevocable, world-wide license to

publish or reproduce the published form of this manuscript, or allow others to do so, for United States Government purposes.

§ 2 Author's and Contractor's Re-Use Rights

The Publisher permits the Author and Contractor, in addition to uses permitted by law, to communicate the content of the Contribution to other research colleagues, to share the Contribution with them in manuscript form, to perform or present the Contribution or to use the content for non-commercial internal and educational purposes, provided the original source of publication is cited according to the current citation standards in any printed or electronic materials. Author and Contractor may republish the Contribution in any collection consisting solely of Author's own works without charge, subject to ensuring that the publication of the Publisher is properly credited and that the relevant copyright notice is repeated verbatim. Author and Contractor may self-archive an author-created version of his/her Contribution on his/her own website and/or the repository of Author's department or faculty. Author and Contractor may also deposit this version on his/her funder's or funder's designated repository at the funder's request or as a result of a legal obligation. Author and Contractor may not use the Publisher's PDF version, which is posted on the Publisher's platforms, for the purpose of self-archiving or deposit. Furthermore, Author and Contractor may only post their own version, provided acknowledgment is given to the original source of publication and a link is inserted to the published article on the Publisher's website. The link must be provided by inserting the DOI number of the article in the following sentence: "The final authenticated version is available online at [https://doi.org/\[insert DOI\]](https://doi.org/[insert DOI])." The DOI (Digital Object Identifier) can be found at the bottom of the first page of the published paper.

Prior versions of the Contribution published on non-commercial pre-print servers like ArXiv/CoRR and HAL can remain on these servers and/or can be updated with Author's accepted version. The final published version (in pdf or html/xml format) cannot be used for this purpose. Acknowledgment needs to be given to the final publication and a link must be inserted to the published Contribution on the Publisher's website, by inserting the DOI number of the article in the following sentence: "The final authenticated publication is available online at [https://doi.org/\[insert DOI\]](https://doi.org/[insert DOI])".

The Publisher permits the Author and Contractor to use his/her Contribution for his/her further scientific career by including the final published paper in his/her dissertation or doctoral thesis provided acknowledgment is given to the original source of publication. The Publisher also permits the Author and Contractor to use, without having to pay a fee and without having to inform the Publisher, parts of the Contribution (e.g. illustrations) for inclusion in future work. Author and Contractor may publish an extended version of their proceedings paper as a journal article provided the following principles are adhered to: a) the extended version includes at least 30% new material, b) the original publication is cited, and c) it includes an explicit statement about the increment (e.g., new results, better description of materials, etc.).

§ 3 Representations

3.1 Contractor agrees, at the request of Publisher, to execute all documents and do all things reasonably required by Publisher in order to confer to Publisher all rights intended to be granted under this Agreement.

3.2 Contractor represents that:

- (a) they are entitled to grant the rights in accordance with Clause 1 "Rights Granted", that Contractor has not assigned such rights to third parties, that the Contribution has not heretofore been published in whole or in part;
- (b) Author is a US Government contractor employee and has prepared the Contribution in the course of his/her official duties;
- (c) the Contribution is original except for such excerpts from copyrighted works (including illustrations, tables, animations and text quotations) as may be included with the permission of the copyright holder thereof, in which case(s) Contractor is required to obtain written permission to the extent necessary and to indicate the precise sources of the excerpts in the manuscript. Rights Holder is also requested to store the signed permission forms and to make them available to Publisher if required; and
- (d) the Contribution contains no libelous or defamatory statements and does not infringe on any copyright, trademark, patent, statutory right or proprietary right of others, including rights obtained through licenses. Contractor agrees to amend the Contribution to remove any potential obscenity, defamation, libel, malicious falsehood or otherwise unlawful part(s) identified at any time. Any such removal or alteration shall not affect the representations given by Contractor in this Agreement.

3.3 The Contractor's statements and representations made in this Agreement are a material consideration and condition of Publisher's performance and the publication of the Contribution, Publisher relies on these representations in publishing the Contribution. If these representations are inaccurate, Publisher can terminate this Agreement and terminate the publication of the Contribution with immediate effect by giving notice to the Contractor, and reserves all other rights and remedies under this Agreement and common law.

§ 4 Delivery of Contribution and Publication

Contractor agrees to deliver to the responsible Volume Editor (for conferences, usually one of the Program Chairs), on a date to be agreed upon, the manuscript created according to the Publisher's Instructions for Authors. Publisher will undertake the reproduction and distribution of the Contribution at its own expense and risk. After submission of the Consent to Publish form signed by the Contractor, changes of authorship, or in the order of the authors listed, will not be accepted by the Publisher.

§ 5 Author's Discount for Books

Author is entitled to purchase for his/her personal use (if ordered directly from Publisher) the Work or other books published by Publisher at a discount of 40% off the list price for as long as there is a contractual arrangement between Author and Publisher and subject to applicable book price regulation.

Resale of such copies is not permitted.

§ 6 Governing Law and Jurisdiction

If any difference shall arise between Contractor and Publisher concerning the meaning of this Agreement or the rights and liabilities of the parties, the parties shall engage in good faith discussions to attempt to seek a mutually satisfactory resolution of the dispute. This agreement shall be governed by, and shall be construed in accordance with, the laws of the State New York and the United States. The courts of New York, N.Y., United States of America shall have the exclusive jurisdiction.

Contractor signs for and accepts responsibility for releasing this material on behalf of any and all Co-Authors.
